

# Calcudoku 3×3

addition — grades 1-2

|    |    |   |
|----|----|---|
| 4+ |    | 2 |
| 5+ | 4+ |   |
|    |    | 3 |

Fill the grid with 1–3. Each row and column has 1–3 once. The number in each thick-bordered cage is the result of the operation (addition) on its cells.
