

Calcudoku 4×4

all operations — grades 3-4

5+		3-	
6+		8+	6×
3×			
	1	2÷	

Fill the grid with 1–4. Each row and column has 1–4 once. The number in each thick-bordered cage is the result of the operation (all operations) on its cells.

Calcudoku 4×4
