

Calcudoku 4×4

all operations — grades 3-4

1	7+	7+	3
6×			
	3+		2-
4	2-		

Fill the grid with 1–4. Each row and column has 1–4 once. The number in each thick-bordered cage is the result of the operation (all operations) on its cells.

Calcudoku 4×4
