

Calcudoku 5×5

all operations — grades 4-5

1	17+	7+		6+
10×			1	
		5+	12+	
4				
3÷		2-		5

Fill the grid with 1–5. Each row and column has 1–5 once. The number in each thick-bordered cage is the result of the operation (all operations) on its cells.

Calcudoku 5×5
