

Calcudoku 5×5

all operations — grades 4-5

12×			7+	
5+	8+		4	10+
	4	11+		
4-				
1	7+			4

Fill the grid with 1–5. Each row and column has 1–5 once. The number in each thick-bordered cage is the result of the operation (all operations) on its cells.

Calcudoku 5×5
