

patterns - sequences

level 4

1 what comes next?

Write the next two numbers in each sequence.

2	4	6	8		
30	25	20	15		
3	6	9	12		
10	20	30	40		

2 find the missing number

Work out the rule and fill in the missing number.

4	8		16	20
45	40		30	25
6	12	18		30
100		80	70	60

3 growing patterns

Count the objects in each stage. Draw or write how many come next.

a)

b)

c)

4 challenge

A pattern starts at 5 and the rule is add 4.

Write the first five numbers:
