Fishbone Diagram

A blank fishbone diagram template for root cause analysis. It features a central horizontal arrow pointing to the right, with three boxes at the head for the problem statement. Six diagonal lines branch off the central line, each leading to a box for causes. Each of these six boxes has three horizontal lines for notes. The boxes are arranged in two rows of three: three at the top and three at the bottom.

Fishbone Diagram

Write the problem in the head. Write the causes along each bone.

A fishbone diagram template with a central horizontal arrow pointing right to a box labeled "Problem". The arrow has three diagonal bones branching off it. The top bone has three boxes labeled "Cause 1", "Cause 2", and "Cause 3". The bottom bone has three boxes labeled "Cause 4", "Cause 5", and "Cause 6". Each of these six boxes has three horizontal lines next to it for writing.
